What's new at HADSA?

It's been a bit of a whirlwind in the admin area of our organization lately. As you may or may not know, Abby Morales left us a few months ago. A Since then, Kathy Milling joined the team, but shortly after joining had a family emergency that caused her to have to resign her position. In May, we added Lindsey Sauerbrei as our new Program Coordinator. Read a little bit about Lindsey below!

STEP UP TO DOWN SYNDROME WALK/5K

It's time to register your team for the 2018 Walk! Visit www.hadsa.org and click on the logo for the 2018 Step Up For Down Syndrome Walk at the bottom of the page to be taken to the registration page. You and your supporters have a few choices from there.

Start a Fundraiser: You should do this before asking anyone to be a part of your team. This is where you will create a team name that your supporters will recognize. Only 1 person per team creates the fundraising page.

Make a Donation: This choice is for your supporters that don't plan to walk or run, but want to support your efforts. They will be asked at "check out" to pick what team they would like their donation to benefit so make sure they know what you have named your team.

Register: This is for your supporters to register to walk or run in the race. They will be asked at "check out" to pick what team they would like their registration to be associated with so make sure they know what you have named your team.

Hello!

I grew up in Fairbank, a small town in NE Iowa. I currently work at The Hotel at Kirkwood Center as a Revenue and Marketing Coordinator, as well as doing some respite care for a family blessed by Down Syndrome. The later of the two presented me with the opportunity to work with all of you. I am so happy to add Program Coordinator for this wonderful organization to my daily life and look forward to all the wonderful things that we can, and will continue to do for all of our communities!
